“ *I am very sorry for your loss! May God comfort your mourning hearts! Our heavenly Father promises a time when not only will death be wiped away but those who have already fallen asleep in death will be woken up! Death is an enemy according to the Bible and it will be permanently taken out of the picture very soon! God cannot lie so we do not doubt that this promise will become a reality! “ *I will miss seeing her smiling face, the random text messages saying that she was on her way and to get ready because she was bringing StarBucks..all the little stories about Peyton and Kevin..I met Leslie 10 years ago and it didn't take long to form a bond that I will never forget. Her light will continue to shine in the hearts of those whose life she made a little brighter just by being in her presence.*
