“ Good friend of mine and kind person. The nickname "squirrel" originated in study hall when Royce Birdwell saw him secretly snacking on candy. The nickname stuck just like our friendship. Loved the guy and his dry wit.

“ David was always nice to me and others during our days together at BHS. He was funny too! Of course he was a very accomplished man who worked to make this world a better place. R.I.P. 'Squirrel'

“ Went all thru school in Buford with David. Thinking of him, brings a smile. He was the kindest, dearest person. I didn't understand him all the time his level of intelligence greatly surpassed mine. So glad I got to see him in the last few years. I always admired him for his wit and humor. He hadn't changed. You will be greatly missed. Rest in peace, Squirrel 🐿️
