“ *Moma Lida, watched me a lot as a child, I loved her like a second Moma, I was close to Donna, she was like a sister to me. I remember the time when Donna and I caught her Grandparents basement on fire, cause we were smoking cigarettes and Moma Lida was always so calm with us and I remember her telling my mother not to be so hard on me for it just to talk to me about it. I do remember she too would play the piano and it was always the sweetest and calmest sound and you could she her put her soul and heart into it. I'm gonna miss her but I look forward to seeing her in Heaven, I love you Moma Lida.*

“ Dear sweet Haney Family, I have many great memories of Miss Lida. I Remember vacation Bible school and the many different jobs she helped with there and always with a smile or laughter. We have some very interesting conversations at the organ when cane by for a little visit-almost every Sunday until she fell in love with Mike Wofford. She loved him and he loved her. They would have special talks about life, vision or lack there of and laugh and laugh and laugh. I will miss her terribly and so will Mike Wofford!❤️❤️❤️

“ *From your Sister in Christ, Nadine Millwood.
I love all of you.
From Wrigleys, to Flat Creek Baptist Church, to the neighborhood,
to raising our families together, and all of our camping trips.
You were the best friend a gal could ask for 63 years.
I will miss you but I am so glad that you are with Jesus and Herbert
now.
I will always love you.*
