“ *I only knew Lily for a couple weeks when we were both in rehab. She was across the hall from me and we also shared a table at meal times. Wish I had known her much longer. She loved her family and was always telling me about them, her travels, homes, and husband. What a dear lady. Heaven gained another angel.*

“ *Many good Memories of Being here at Belmont Village. She was a Joy to be around. Always witty with a few laughs each day. For some time she had breakfast in the Dining Room each day with my husband Bob(that is until she was on her wheel chair)she would tease me an say she was having an affair with him. We had many Laughs over this an many more of her witty comments. Lily will be missed dearly.*

“ Lilly was one of the most kindest lady I have ever meet. She always had so much love to give. This biggest smile. When I came in her room. She always welcome me with open arms and a big smile. She made my day a little brighter just being around her. She will be surely missed. I loved this lady like my own family. My prayers go out to the family who had a treasure. She talked about you often and her love for you all.

“ My condolences to your family. Hope and comfort can be found in God's word the Bible. Consider Revelation 21:4- " And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Hope is found at John 5:28,29- " Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment."
