“Never lose an opportunity of seeing anything that is beautiful;
for beauty is God’s handwriting - a wayside sacrament.
Welcome it in every fair face, in every fair sky, in every fair flower,
and thank God for it as a cup of blessing.”

- Ralph Waldo Emerson

“ I’m so heartbroken by this news. Linda was such a beautiful person. Every time I see these mountains in Arizona, it reminds me of her and how much she loved it out west. I know Mike and Michael were the absolute loves of her life. We didn’t always get along, but once we put our friendship back together- Linda became an irreplaceable link in my life chain. I’ll always cherish the beautiful quilts she made for my girls. I have so many things in my home in Ga. from her... she’ll always be around.

Rest easy my friend...

“ Aunt Linda is one of the kindest and most beautiful souls I know. I loved getting the chance to see her art and her broccoli salad is still my number one favorite dish in the world. I can only hope to be as kind and thoughtful as her in the way I move through the world.
