“ *I was truly saddened when I saw this notice about Linda this morning...then my heart was lightened when I read the beautiful words about Linda and her life, love and family. Linda, Neil, Lynn and David lived three houses away from our family in Dacula when I was growing up and I was blessed to spend many hours at their home and baby-sitting Lynn and David. Linda was a big influence in my life and one of the sweetest people I've ever met. We have been living in South Carolina for 40 years and just recently moved back to Georgia and built a home on the same property we lived on back then. I have frequently thought of Linda as I look toward their older home...and that always makes smile. My heart goes out to each member of her family and I pray God will send his angels to surround you and give you peace during this difficult time.*
