“ *Karen, Your and all of yours have my deepest sympathy as you travel the days that come.  
Your Mom, and my dear friend, may be gone but never forgotten. I will certainly miss hearing her voice on the other end of the phone as we tried to solve (or discuss) the problems of the world ! She so treasured you, your brother, her grands and great-grands!*

“ *My sincere condolences to Linda's family, I'm so sorry for your loss. Linda was such a sweet, loving person. I enjoyed having her as my neighbor, and more importantly as a friend. As we kept in touch, the most we would talk about is her love for her grandkids and great grandchildren-she loved to show those baby pictures, she was so proud! She also couldn't say enough sweet things about you Karen, she was so lucky and grateful to have you there for her. Your family is in my thoughts.* ”
