“ I never met Linda, in fact I haven't seen Ross since our graduation from Stevenson in 1972. I moved to New Hampshire only a month later. I've heard a lot of your stories and adventures through my friendship with Paul & Sue Hennicken over the years.

I know you just celebrated your 50th wedding anniversary. Yours is a love story that rarely happens anymore and I hope you both are reunited again one day in the after life.

Sending you prayers and well wishes during this very trying time. Good luck to you my old friend.

“ How do I sum up 50 plus years of friendship? Linda was one of those friends who would, & she did often, drop everything to help a friend out. Linda loved to cook, host & enjoy family & friends to the fullest. I loved her dearly & will miss her with my whole heart until we meet again💜💜💜

“ I got to know Linda while I was working with special needs at SSSE. She was a substitute in our special needs classes along with the regular classes. We enjoyed many years of laughter, fellowship along with lunches and dinners together. She was a blessing to all who knew her and will be truly missed. My thoughts and prayers are with Susan her daughter and all the rest of the family at this time.
