“ *Was shocked when I heard of her passing My parents have spoken often with laughter about her and Morris and their adventures as young 20 year olds Jennifer Jones (Stavinoha)*

“ *Linda and I went to high school and nursing school together, We had a great time growing up together and finding our true loves, her Moe and my Bobby. We sang together in the nursing school choir for awhile, she could sing, she always had a beautiful voice. She was always kind to people, and she will be sorely missed. Our love and prayers to the entire Marotta family. Bob and Sharon Sivori*

“ My sweet beautiful friend Linda Marotta. I'm so incredibly grateful for our friendship. I'm even more grateful we just texted last week. I will always love you and I will “always wear my glasses while I'm eating,” and most definitely ALWAYS think about us with our underwear on our heads. Come visit me in my dreams once in a while. I'll miss you dearly.

“ I am so sorry to hear of this great loss. Linda was my first cousin and I have such fond memories of visiting her family in Union City when I was very young. Even though I did not see her all that often as we got older, I always enjoyed seeing her at weddings etc. She was a very sweet and caring person. May God Bless and keep Linda close to him. All of our love to Morris and the family.

“ I met Linda on the first day of kindergarten and we became friends from that moment on. She was my oldest and dearest friend. We shared good times and bad times through so many years— grammar school and high school and beyond. She was a constant, loving and supportive part of My life. She lived her life with joy and passion, and how she loved to sing! My heart goes out to Morris, her daughters, and the rest of her family. I will always love and miss you, dear friend.

“ Linda has always been very special to our family. She would come in the summer time to watch Adrienne and Kyle when they were little. Savannah & I always enjoyed her coming. Always had a beautiful smile on her face. We shared some very nice conversations about life in general. Will miss being invited to her home and eating her Italian dinners! Best cook ever! “ Linda, my beautiful cousin always there to help whoever was in need in any situation. Her infectious smile, her kindness, and laughter was always evident no matter what environment she was in. Linda's husband Morris, her children, and grandchildren were her entire life with her strong faith in God.
