“ Mrs Phillips was not just my friends mom, she was my second mom.
Growing up she was the best! Always included me in family things,
and was always giving advice. I have so many great memories!
Especially memories of laughter this past summer when I seen her.
She told me she was proud of the woman I turned into. My heart
breaks for her family, especially her wonderful husband. I know she
will forever look down on her family and friends as a sweet angel.
Cause she was always looking out for others.
God bless her beautiful soul.
