“ *Linda was such a one-of-a-kind, extra-special, loving & caring individual. So much so that, if such a remedial description, to try & express her wonderful personality & love for Jesus Christ & those that came in contact w her, then this brief note, would end up being the length of a massive novel.*

To all her family, please forgive the absence of attending her funeral, but her death wasn't known until recently.

*Kindest Regards,
Jonathan Grubbs*

“ Worked with "Moma" as we called her at Brayson Homes. I stayed in touch with Linda through cards. I did talk to her month or so back just to check. Did not know about her passing untill I saw it in paper few min ago. Very sad to get the news. All our best to family. Side note Sonny & Emma (owner of Brayson Homes) is out of country will tell them when they return.

“ You are in our prayers. To be absent from the body is to be present
with the Lord. Linda has graduated into the presence of the Lord.
