“ Our farm will not be the same without Linda's smiling face! She showed warmth and caring to both her friends and all the horses at the farm, especially her beautiful black mare, Flicka. We will not forget her friendship and the way she cared for her horse. She gave a part of herself every time she came out for a ride. She so loved to be on the trail and always commented what a beautiful day it was! Our hearts go out to her family and Jerry. She was a lovely person inside and out! She was very special and will be missed!
