“ *Ms Betty an family*

Lloyd is another one that I grew up knowing all my life, seems all the good ones are gathering in heaven, but try to smile knowing that up there after a rain the arrow heads are as big as goose eggs an not a chip on them. He was always willing to share his knowledge of head hunting an for that I am blessed.

I'm deaply sorry for your loss, but again heaven got another good man an find peace knowing that he's waiting an you will see him again.

*Y'all are in my thoughts an prayers
