“ Faye I am very sorry to hear about your mother. Your mom was always a sweet and kind lady to me.

I remember one of our spend the night parties at you home- somehow your mom scared us so badly-(your sister may have been in on it also) then we couldn't quit laughing about it. All of us were in tears we were laughing so hard. 40 years later I still laugh.

It is a good memory I will always have of her.

Just wanted to let you know I am thinking of you, Augie and your family.

Thank you Marie, it was one of my favorite memories too. Yes, Cilla was kind of in on it. They both scared each other when trying to scare us.
