“ *There are so many babies that were held and loved on by Lois Cronic. My most fond memories were the Easter Egg Hunts that were always at her house in Frontier Forrest. Lois loved her family and friends well. She had a very positive outlook on life and passed that on to all who were lucky enough to know her. I imagine there is a big party going on in heaven today with all of the loved ones gone before her. Thank you Lois for your kindness and love to me and my family over the years. You were very much loved by many.*
