“Lola was a "Mama" to most everyone, as I see it. My days at Scientific Atlanta, in the Satcom Division, supervising a large portion of the "production/assembly" departments, was a challenge many times but Lola was a constant in the day to day activities. Her attitudes, beliefs, concern for those around her was on going. It is to my regret for not visiting Lola on a regular basis although we had spoken from time to time. What a credit to our existence to have had such a fine person in our mist. OK, funny story time: Way back in like 1968 or 1969, SA sponsored so to speak, a trip over a Labor Day weekend, to the Bahamas, a cruise out of Miami. I was 21ish and never been on such so several other "single guys/girls" and myself decided to go. We were to leave SA's parking lot, traveling on a bus to Miami, catch the boat, sail over, party and sight see then return over like 4-5 days! Well, Lola was going with a friend and daughter as well as Kathy, Lola's daughter who was no where near 21ish. I kidded Lola about allowing Kathy to join our "band of singles" but she was having no part of my offers. They sat together way up front far from the "activities" in the back of the bus. It was only after marriage and having a daughter that I reflected on Lola's decision and laughed. What a wonderful co-worker, friend, fellow Christian and "Mama". I will see her again, no doubt in my mind. God Bless you Lola Mae and may God Bless your entire family as they go about remembering you. Terry A. Sosebee & (Lynn)

“Kathy and Family-I'm so sorry for your loss. My mom, Lola, and several others rode to work together when they worked at Scientific. Mom loved Lola so much and spoke of her a lot. I'll be praying for you - what a comfort to know she is with our Lord!

“ What can I say about my second mama! She was one of the sweetest and gentlest people God made. Too many memories to share. I adored her then my husband and children did so too! Heaven is a bit sweeter now and I know there was a reunion in heaven I'd loved to have seen !

“ Lola became a 2nd mother to me as while in high school I spent many nights there with Marcia. I will never forget sweeping the water out of the basement when it rained. There was always some fun to be had with she and Lonnie. I am sorry for your loss, but I know that you rejoice that she has rejoined your father and is sitting at the right hand of our Saviour. Thoughts and prayers for your family at this time. Becky Price Thompson
