“ *Dearest Florence, Please accept my sincerest condolences for your dear mother's passing. I have fond memories of both your mom and dad as I reminisce the good ole days, walking bare feet in the summertime visiting their general store. I guess that is why we call them precious memories because those mean the most to us. Lora will always be one of those memories. She represented beauty, grace, style and strength. May the love of family and friends provide comforting strength in your days of sorrow and beyond. May GOD bless you today, tomorrow and always. RIP sweet Lora.*
