“ *Teresa and Teresa and Lloyd's Children: We haven't seen each other in quite some time, but were important in each others' lives and events of life for a while, and therefore always. I think of each of you today, having just heard that Lloyd has passed, and it saddens my heart at your loss. Just as quickly a smile comes on my face when I think of him, and how much he loved all of you. He was such a funny guy, and such a good friend. Just so you know, he made a difference in the world, and in the lives he touched, and he has my respect and appreciation for it. Love, Regina, Christopher, and Eric*
