You got onto to her when she was doing wrong and you know what I mean!!! You have been part of our lives for so long. R.I.P. and I know you will be up there taking care of your baby girl!!!!

“ I write with a heavy heart having heard about Luke this evening. My deepest condolences to his brother Paul and the rest of the family. I was just talking about him the other day to my fiance Elizabeth, telling her why I call my friends "my boskis." I was talking to Luke shortly after we met, over 10 years ago now, I asked him why he called me boski. He replied "you know, my boys- my boskis." My memories of Luke will be forever cherished, he will truly be missed. Luke was a true friend.
