“ *Ain't Lucille loved her great nephew Kyle. She always wanted to know what he was going on in his life. She was so proud of him when he started working in the media at our Church. Aunt Lucille Kyle misses so much. He loves you and wishes he could hug you one more time.*

“ *My Aunt Lucille was a wonderful Christian woman. She lived her life helping others and sharing her love for Jesus. When I was going through cancer treatment my precious Aunt Lucille and Uncle Bob called me almost every day to check on me and pray with me. We spent many hours talking on the phone and almost always she would tell me that when she got to Heaven she was going to follow Jesus everywhere. Aunt Lucille I know you are following him now and so happy. All of our discussions about Heaven and now you are there seeing it. Aunt Lucille you are so special to me and to anyone who knew you. I love you and will miss you so much. Enjoy Heaven. Love you so much*
