“ *Granny,*

Things will definitely be different with out you. I am going to miss our long conversations on your porch or in the front room. Listening to fuss at me because I have a bad memory. Know that I love you and will miss you greatly. I remember when I asked you when your time came what were we going to do. Because you definitely were the glue in the family. And you said you were going to live forever. Gone but NEVER forgotten!
