“ I’m sending my condolences to the Rodriguez family. For some that don’t know me. Angel and I work together. Angel has helped me through a lot recently in my life. I’m sorry to hear about the loss of Luz Rodriguez. I was fortunate enough to meet her when Angel invited me to his Dads 50 birthday. It was nice to talk and get to know Angel's family. It met a lot to me. Angel and I play (PS5) together and he would frequently invite multiple of his cousins to play online with us. Someone by the name of Indigo would constantly be playing with us. Just knowing his name Indigo we quickly became to know each other. Indigo (Jovani Rodriguez), I’m sorry to hear about your mother man. I know that we haven’t formally met but it would be awesome to meet you one day. Just know if you ever need anything you can reach out to me anytime. I apologize to Angel and his family that I was unable to attend today but just know that you all are in my prayers and even for me this was tough.

I do have beautiful Memories of you and I'm glad that after so many years after our teenagers years in high school we got the opportunity to see each other again in Orlando Fl.
