“ *Gail and family,
So sorry to hear of Lyle's passing. We just returned from what would have been his 60th. reunion in Galesburg. We released several silver and gold balloons to honor our deceased. I wish I had been aware and I would have named one for him. We had been buddies since we were 10. We met at Silas Willard grade school and I was in the Illinois National Guard with him. I shall remember him and cherish his friendship till my time comes and I just might get to see him again. Our thoughts, prayers, and love go out to you and his great family.*
