“ We are so saddened to hear of Lynn's passing. I enjoyed the times we were able to chat on the phone, even if they weren't often. Lynn was always so cheerful and the one thing she loved most was to talk about you, Dan, the children, and especially her grandchildren. May the beautiful memories you have of her bring peace to your minds and hearts.

I am so heartbroken to hear of Lynn's passing. I was in small group with Lynn for a few years, and always enjoyed her sweet spirit. My prayers are with the family as you walk through this valley.
