“*Condolences to the Levy family. Reverend Levy alias Dads was very instrumental in my spiritual development as a young person. His mentorship and love for God has embedded significantly in my life. His countless hours spent with us as young people was immeasurably. I am proud to say that due to his mentorship, I am now mentoring young persons. I recalled speaking to Dads on his birthday which is usually customary to me and his response when I call is always to say that I never forget to call him on his birthday. I remembered calling him as I occasionally do to remind him of the impact he had on my life and to say to him thanks. I ended the conversation by offering to pray for him entrusting him to the Lord and thanking God for his life, not knowing that this is the last time I will be speaking to him in this life. Dads: You have fought a good fight, you have kept the faith. I am grateful today to God for your impact to my life and at peace to know that I told you when you were alive how you have impacted me and to say, "Thank you for giving to the Lord, as I am a life that was changed."*

“ *Pastor Levy was a good Soul. Very humble and kind man. On his down time you will find him studying the Word of God. I hope you had an easy transition. I dreamt that you passed away on Sunday night and I was told that you passed on Monday. You ran your race with grace and vigor. Rest well. My condolences to the Levy Family.*
