“ To Mallik's family, We both are colleagues. Its hard to say we were colleagues, It is deeply shocked to us, what you are going thru this hardship just words can't express. Even thought I worked with him short period of time, his presence was felt and made an impact. Very soft spoken, respectful
Wish God give you all strength to overcome this challenges.

“ To Malik family I am truly sorry for your loss. I had the opportunity and pleasure to work with Malik for a number of years at Verizon Wireless. I met Malik in 2016 in Hilliard, Ohio when I was working on an incident management project. As the product owner for b2b unique solutions I had the pleasure of interacting with Malik on a day basis. He was truly a remarkable man. His passion and dedication to the customer experience and his knowledge along with his soft spoken manner and kind heart are attributes you don't find in that combination often. It was truly an honor and privilege to have met you and cross paths. We always talked about getting together in Alpharetta and I regret not being able to connect on that.
