“ *Dear Fraser Family,*

I will miss seeing Marc at the car wash where I met him. He was a very nice man who I got to know over the years, as we always went out of our way to have conversations - while he was managing work issues and me little kids running around his facility.

He mentioned he spent time in his youth in East Aurora, NY, where a company I worked for was headquartered, and where I spent time. He had an energy and an honesty about him that I found refreshing.

My prayers are with your family. He was a good man.
