“ Marc, I had the pleasure of knowing you for a brief time but felt like a life long friend. In our talks, you were genuine, funny, unapologetically forward and absolutely honest. All traits that makes for an amazing human being. I respected you, enjoyed your outlooks and appreciated your advice. You will be dearly missed sir. Much love

“ Mark, you were a great person, and you will be sorely missed. My daughter and I will Never Ever forget the fishing trip to "Wildcat Creek" with you and your daughter. We will laugh about it for years to come. I think a lot of people wonder what their legacy will be after they are gone. In my eyes...if you are touching people even after you are gone, then you obviously have done something right! Rest in peace my friend.
