“ *It's been very tough to loose my sis. inspite of the paths our life took we remained close and inseprable. The gapping hole left by her departure I am praying will be filled with knowing she is in her new body next to her savior and loved ones that preceeded her in passing. To my nephews and neices...together we will get each other thru this. Thank you for helping her thru her last year of poor health, I don't know where i would have been with out that blessing. All my love Aunt Rose*

“ *Your life was hard and your suffering great. You are in a far better place. Know that you are loved and will be missed. I was glad to know you and thank you for your son Eric. He is like a second son to me and I am so thankful he came into our family, giving us two beautiful grandsons. Condolences to Eric, Neil and Jeff and their families. Love, Joan*

“ *I am so sorry for your loss. Please know that you are never alone. You can find much comfort in the Holy Scriptures which assures us at Psalms 34:18 that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.*
