“ I don't know why I came back here to read this after all these months but, I did. It was then I realized that no one wrote in your guest book. It upset me a little. I just want you to know that I miss you so much and that I think about you every day. It's not fair that you aren't here to watch Lily grow or see Nick graduate high school or...to be there for the birth of your second grandbaby. It gets me every time how unfair life is sometimes. And I know what you would say...life is never fair but just be grateful for what we have. All I know is that we are all struggling so much and I know you tried to hang on for us. I thank you for that. I know God brought you into my life for a reason. I guess I get so busy trying to comfort everyone else that I forget how much I'm hurting. I miss you Marc.
