Dear Susan, Mike, Ed & Family~ I am so thankful for so many memories of my Aunt Margaret Ann from as far back as I can remember. What an amazing life she had & legacy she leaves. Her humor, family devotion, hospitality, strength, stability, wisdom & country common sense come to mind. And did I mention humor! :) And yes, Sarah, her southern cooking...& yeast rolls! Her & mom were so alike. What a blessing to have grown up with so much time with you all. From birth! Have lots of pics. Think often of the close bond between your parents, mom & our families. Still miss Ann & our very close connection we always shared. I rejoice that we will all meet again in our Heavenly Home. Thanks always for the memories & love. Prayers & Peace~ Dana Shaw Price

“ Aunt Margaret seemed to always be smiling. A genuine, heart-felt smile that was a smile indication of her amazing capacity to love so many so well for so long. When my family would head towards Atlanta on our summer vacations, I would always be excited to get there...to see my cousins, but also because Aunt Margaret made **THE BEST** scrambled eggs ever! May the winds rise to carry her on her way. Love and hugs to all, Sarah Liles
