Thank you for unconditionally loving my family and me. Olivia and Emily will miss you greatly. Thanks for all the times you helped take care of them and making sure they got off the bus safely. “ Nannie oh how I will miss you, you loved everyone of us unconditionally.
This world will not be the same without you in it.
From our trips to Florida and eating breakfast at the Waffle house at 4am when I was a little girl you made sure I had fun and had everything I needed and wanted, I have so many memories with you and I will never forget them. Thank you so much for loving me no matter what! I love you Nannie!

Margaret was one of the sweetest people I used to see when she came upstairs to use the copier or in the cafeteria for lunch. We had many conversations during the time I worked at Wrigley's. So sorry for her family and may God be with you all during this sorrowful time.
