“ I will be thinking of your family during this time of sadness. I was a classmate at Warner Robins High and we were teammates of the 1952 basketball team. We were good and would have won it all except for 1 point. I know Margret though about those times over the years, as I do, They were special times in our lives. I will never forget Margret and her upbeat spirit. Again my condolences to your family during this time.

“ *Jim, Anne, Cherie, and families,  
Know that you are in our prayers during this time. I will always remember Ms. Margaret and sweet and loving smile. Your Mom and Dad made such an impact on my(Chip) life and I am filled with such warm memories of them both. I can only imagine the reunion they are having and the smiles on their faces. Ms. Margaret is one of the women that truly touched my heart and I will remember all my days. Memories like her spot on the pew by the wall at Taylor's, having to put up with Cherie and me getting into mischief, all the meals at the parsonage, and so many more brings tears of joy, love, and thanksgiving because of her time in my life. Tris and I will be praying for you all in the days ahead.  
Love you all,
