“ *Margaret was my best friend in Midland, Michigan before my family moved to Ohio. We have stayed in touch all these years usually during the holidays. When I didn't hear back from her this year I went searching and found this sad news. Margaret and her family were so special to me growing up. I would love to hear from Cheryl or Vincent if they are reading this.*

“ *Just learning of the death of my dear friend Margaret Mahone! Margaret was a delightful person that loved animals and people. She was adventurous and loved the outdoors. We spent many weekends hiking (with pets in tow) up Kennesaw Mountain, roller blading and biking. We tried to keep in touch through lunches and had planned to get together in the future. This world is now missing one of the kindest individuals. Rest in heaven Margaret*

“ Margaret and I have been friends for over 30 years. I loved her as a sister. She was a kind, generous person and giving person. She and I traveled the world together. We laughed, cried, partied, shared holidays, ranted about work, condition of the world, etc, we were each other's extended family. She gave me my first mid-life Pet, Chauncy and an Aunt to Bailey and Arthur. Lewis & Mary, you are in my thoughts and prayers, please let me know if I can help in anyway, Lynn
