“ *Julie and Lee:*

Our condolences on the passing of your Dad. He was a good man who loved his family very much. I pray that you will have peace in the present, and have joy in all the memories you shared with your Father.

“ *My thoughts and prayers to the Wilmot family! I love you all and will forever remember the greatness of your dad (and the humor of your mom). My memories are so emotional and full of laughs. All my love to you and my condolences - for the past 15 years I have felt like a son/brother to the Wilmot family and always will be one! Chris - XO*

“ Julie and family:

My heart is breaking for you and your family. Roger will be missed, but oh what great memories he has left behind. He still holds the record for my kitchen door markings as the tallest man in my home. Roger was always kind and a pure joy to be around. Remember all the good times! You are all in my thoughts and prayers. Love to you all, Theresa xoxoxo
