“ *I am so sorry I didn't know this. I try to check the obits twice a week down there, but I do miss some. I loved Margaret. She was such a sweet lady. So now she can hang with my Daddy and Mama---they loved her, too---and all the other loved ones. Don't you know that was a grand reunion. We'll be able to join them one day. Love to all the family.*

“ I am so sorry to hear of Ms. Margaret's passing. My prayers are with her friends and family. When I was 12 years old I joined Gravel Springs Baptist Church in Buford. Keith and Margaret were very involved in the church. She was a beautiful person inside and out. I believe Margaret was what they would call now "the music director." I do remember her always leading the singing and singing. But God has now called her to her Heavenly Home, and I know she still has that smile on her face and still singing.

May God comfort you at this time.
