“ I have known Lawrence and Margaret seems like most of my life, but lost touch, unfortunately. We used to go to the same church and I remember when I was pregnant with my third child and she had just had a hysterectomy, my husband had me stay with her during church service because I was due any minute. I remember us laughing because neither one of us was able to take care of the other one. They will both always be in my heart - just precious people. Lawrence, I am so very sorry. I just wish I could have had the kind of love you and Margaret had. I love you so much. Would love to see you. I will be praying for you. JoAnn Jones Suter
