Maria Tirado Bracero, age 79, of Buford, GA passed away on Thursday, December 26, 2024.

Mama was the true embodiment of a family woman, dedicating her life to caring for everyone in need. She was a mother not only to her own children but also to many she lovingly welcomed as her own. Her passion for life was contagious—she was funny, full of laughter, and the life of every gathering. Mama loved to host parties, dance, and light up the room with her vibrant energy. The backbone of our family, she had a bubbly personality that always stood out, and she took pride in dressing to the nines, always looking like a true diva. Her protective nature knew no bounds when it came to the ones she loved. Mama's strength was quiet yet profound, and her love for us was boundless—she gave her all to ensure we felt cherished and supported. She was not just an amazing mother, Grandmother and Aunt but also a remarkable woman who touched the lives of so many. Her legacy of love, laughter, and strength will live on in our hearts forever.
