“ Herbert I can feel pain for you in losing a spouse from experience and to the two girls, I feel the pain also in the loss of your sweet mother. Marie and I spent our childhood together, played the piano together, played ball together in school. So many memories I can't count. She was always smiling and laughing and never hurt anyone. Heaven has really gained a sweet angel, even tho we lost my best friend. I stood with her when she married you can't believe it had been that long. Just remember she is an angel now watching over all of you and her presence will be felt in many ways. Keep the faith, and my prayers are with the entire family.
