“ *To Marie's family,
I just learned of Marie's passing yesterday when I was talking with my Dad, Homer Stephen. (He had seen the notice in the Lincoln paper but, kept forgetting to tell me.)
He has very fond memories of working with Marlyn and socializing with them both 'back in the day'! We have spoken of the pair of them often thru the years and I have a wedding candle Marie made for John & I back in 1968. We burn the candle just a little bit every year! Our family extends our sympathy to Marlyn & all of Marie's family.*

“ I would like to give my condolences to the family. Please know that God's word can bring comfort in times of loss and deep sorrow. Revelation 21:4 and John 5:28,29 help us to see God will not let this kind of pain and suffering go on forever.
