“ *Dear Carlton, I am so sorry about Marilyn. I remember how sweet and friendly she was from high school and how much fun we all use to have together. Just found out about her from Bonnie's post about reunion. Sorry you didn't get to go, I usually go but didn't get to go either. I lost Clyde August 2017, it gets a little easier as time goes on but we never forget them. Couldn't remember how long you had been married but knew it was close to ours. we would have been 59yrs. this year. My heart goes out to you and family. Sincerely, Linda*

“ *Marilyn what can I say about you. You taught me many things in life and for that I am grateful. I was so sorry to hear of your passing. Thank you for teaching me to play the piano and sing. You worked with me from the time I was like 6 years old till I could play like I was a professional. I can't be at the funeral due to breaking my hip. I love you until we met again.*

“ I am so sorry to hear about Marilyn I did her hair for many many years. She was such an inspiration to me. She would pray for me and comfort me so many times. Through those years we covered so many areas in our Christian lives. I've often wondered how she was doing.
May God bless and comfort you during this time. I know she is better being in that perfect place. I so look forward to seeing her again one day.
