“ *I am so sorry that your mother passed away. I just wonder if all four will go square dancing at Middle Brook Park now. Even though I was very young I know they had a good time.*

She was like a godmother to me and of course was my mother's best friend. Please know my thoughts will be with you today.

“ *Marge was a terrific inspiration to me as a 70 year old first time piano student. We worked, we laughed and I will miss her sharp insights. You are in our thoughts.*

“ Marge Engle was the musical voice of Bloomdale, Ohio. She made sure every child grew into music each year she taught. She made us all better adults. Her effect has been far and wide, and I know her life mattered so very much. Ellen was my classmate for 12 years, and I will never forget the good times we had singing together. You will never walk alone. Keep on singing. I'm sure Marge is.

“ Mrs. Engle taught me, encouraged me, supported me, and helped me build the foundation for the life I have now. She touched the lives of so many people in so many positive ways. The world is a much better place because she was here.

It is difficult to put what she meant to me into words, but I've posted my remembrance of her here: <http://blaketyson.com/engle/>

I know that her great spirit lives on in the lives of her family, her friends, and her students. She will always be with me.
