“ Pam and Mike, I am so sorry about your mom's passing. I absolutely hate I wasn't able to make visitation or see you guys yet. I know Margie is having a big time in heaven and couldn't be happier to see Randy with his open arms and Cale's open arms to greet her! Much love to everyone and I hope you will be in touch so we can meet up at her house. Robin Stansell

“ It was with great, great sadness when we learned of Margie's passing. Margie was a wonderful person. She was truly a gem and always a pleasure to be around. I will remember her zest for life and kindness as well as her beautiful smile. She was an incredible baker that loved baking cakes for her grandkids and family. I will never forget spending time with her at her home drinking coffee and eating some of her delicious pies. She would always tell stories about her life and in that we shared many laughs. She was passionate about her flowers, and like them, she was vibrant and her seeds of joy filled us with happiness and love. Margie we will always love you and miss you, we were so lucky to have met a wonderful person like you. We are heartbroken, but know you are in a better place. To the family, she loved you all so much and God bless you.
