“ Mark was a special person. We have a breakfast group and Mark joined us one morning. He fit right in and we all loved him. One morning he heard me talking about a list someone had given me of ten bourbons that all bourbon drinkers should try and one wasn't sold in the U.S. Some time later Mark gave me a bottle he had found in Australia! He was a special and thoughtful friend. We will miss him. Michael Bennett

“ When I heard of Mark’s passing I was moved to tears. Mark was one of the first Captains I flew with at Omni when I was a First Officer. He was friendly, helpful, and full of life. Writing this is again bringing me to tears. Mark, I will miss you.

“ It is with great sadness to learn of Marks' passing. We were hired the same year at Omni myself as a flight attendant, and Mark a Captain. Mark was not only a professional who exemplified a standard of excellence at work. He was a kind, funny, incredibly considerate, human being, and someone who had a story for all occasions. Many great memories of our travels together. One in particular stands out. When as a crew we were bused from Romania to Sofia when the ash cloud in rykyevak was preventing flights. Heartfelt condolences to the entire family. Sincerely Martin Shield.

“ I had the wonderful opportunity of working with Mark at Omni as a Flight Attendant. He was by far one of my favorite Omni Captains. He had the best sense of humor and a twinkle in his eye. He made the world a better place and will be greatly missed! Sending heartfelt condolences to his family and friends. Sincerely, Cynthia Walcker

So sorry to hear this. I flew with Mark many times at Omni. Mark was respected as a pilot for one of the most challenging airlines to fly for in the world. I know we worked very hard to be successful at Omni. Mark knew how to make people laugh with a very self effacing manner that put everyone at ease. In the dictionary next to PEOPLE PERSON is a picture of Mark Corbin!
