“ Susan, I'm so sorry for your loss! I wish I had known Mark. I have read such wonderful things about what a kind man he was. I'm so sorry I couldn't make the funeral today, but I have two young granddaughters staying with me this week for Spring Break and couldn't find a babysitter. You take care of yourself and I hope to see you in the near future to give you and that sweet Mama of yours a hug. You and your precious family are in my thoughts and prayers, sweetie.

“ Mark will be truly missed by me and all of his "Hockey Family". I always appreciated his guidance from the pipes when I played defense in front of him and his candor when I didn't "do my job"! Rest in Peace brother, I'll see you on the other side!

“ Mark - one of the most patient, kindest people I have ever known. His personality and great smile made me smile along, no matter the issue. He had a great way of looking at things. Mark loved my baking 'experiments' even though I did not think they turned out right. He always had something positive to say. I enjoyed seeing his face when I made the hockey birthday cake for him including the logo of his favorite team. I am very blessed to have had Mark in my life. God truly acquired a wonderful angel.

“ Mark has been a great hockey brother for over 10 years to me. His signature "OK boys, it's time to start thinking about hockey" was my motivation for MANY, MANY games and while it will continue to be, Mark will be missed saying it. Always upbeat and positive, no matter the outcome of the game, because he loved hockey, and life itself. My sincerest condolences.

“ Mark was always a welcome site in the locker rooms and on the ice. As a goalie Mark was always good to have behind me or always challenging when playing against him. A true adversary on the Ice and a good sport always willing to share a smile. You will be missed my friend... Until we skate again! #yourhockeyfamily

“ Mark's smile lit up our locker room. Always good to see him walk in that door. Sorry to hear of his passing and saddened that I won't be seeing his smile at the Ice Forum. Perhaps we can post a picture up in the Breakaway Grill.
