“ *Mark was a great friend from high school! I would run into him all the time at the arcades in Stone Mountain or the bowling alley. He was such a sweet soul. We crossed paths one last time last year when I bought something from him on Ebay. What are the chances of that? Anyway, I'm so glad we got to chat one more time. I told him I always wanted the best for him and he said the same to me. I will miss him and always have fun memories of Mark. My deepest sympathy to his family. Love, Susan (Webb) Gailey*

*Mark was great a childhood friend! Such great memories of playing kick ball with all the other fun adventures we created with the other kids in our neighborhood of Abingdon - Stone Mountain. Mark was a couple of years older than me and always there for me offering me a listening ear and advice when needed. The brother I always wanted . Although I haven't talked to him or seen him in 30 years I am so grateful that he was part of my life in those early years and so cherish his friendship and memories at that time. My deepest sympathy and love to his family at this very difficult time . Rachel (Hopper) Coleman*

“ So many fond memories of growing up with Mark and our get togethers at Granny and Papas. We were both 1967 babies and he taught his cousins all about city life. He was always hilarious with his joke telling and stories. Rest in Peace cousin. Leigh Finley Wright
