“ Mark was a Co Worker at Pevco. Been to a few jobs with him and even been to his house as I was traveling through the area and would provide me with some updated drawings he was working on. A Nice Guy and Friend. My Condolences to the Family.

“ I used to work with Mark at Pevco. What a wonderful man he was! He would talk often to me about his family, baseball and would send me emails with pictures he had taken. There were a few times I was able to go to his house and he always had blueberry muffins for me! I will always cherish the times we spoke and times I got to see him. He will always be one of my favorite people!! May his memories bring a smile to his families face and comfort them during this time and always! My deepest condolences.
