“ *My condolences to all the Martin's. My parents, John and Edna, worked at at&t with and were friends with Mark's parents Ronnie and Madeline. I have found memories of playing with Buddy and Brian as a kid. Both my parents are now passed. I will keep you in my thoughts and prayers.*

“ *I am so saddened to hear about your loss. I was stationed with "Gator" in Germany.I loved the guy and have great memories of him. We finally saw each other a few years ago when he came to California. That made my year, he was always upbeat and funny. I can't tell you how sad this makes me. My deepest condolences to your whole family. He was a great man and I am proud and honored to have known him.*

“ You have been an incredible part of my career from the day I started and the many, many assignments we worked together and through this journey became close friends. I shall never forget the wonderful stories of adventure we had and shared. The countless hours we spent not giving up and always succeeding but most of all just being the wonderful person you are. You set a moral standard second to none. You will always be in my thoughts, love you. Brian

“ I have a good memory from many years ago, when passing thru Atlanta on leave. Mark was the only one home (everyone else was off on vacation) I stayed up late into the night listening to Mark tell me about a band he was going to start up. "More". Mark even had the titles for his first 3 albums. Then I went to bed and asleep listening to Mark bang away on his guitar. "Smoke on the Water". It was a wonderful evening and a memory that I have kept in my heart since.

“ Mark, I will always remember You and the things we did together as Brothers, The boy Scouts, Wrestling teams we were on in high school, the driving lessons, the things that made me laugh and sometimes make me cry or make me mad. But thru it all, You were always there for me when I needed you to be. I will dearly miss you. I wish you and I had a chance to play guitar together but the opportunity never came to pass. But we will see each other again I'm sure of that. I Love you Brother From your pesky little brother always , Love Bud

“ To the family of Mark,
I knew him in elementary and high school and was wondering where he was at our recent reunion. I am saddened by his death and know you all will miss him and his sweet spirit. My prayers and thoughts as you say you farewells to a wonderful husband, Dad and family member. He was always someone I looked for at the reunions for Shamrock. Prayers for you all.

“ I wish to extend my thoughts and prayers to the entire family. There are no words adequate to bring comfort over a loss such as this, but I want to share the message that I was so very thankful to have known Mark in my lifetime. His perspective on family, his work ethic, his joy for living had a positive impact of all he encountered. After so many years of no contact, I was thankful for the high school reunion that enabled us to have glimpses into how we had all turned out. Mark was the same as ever, loving his family, working hard to achieve goals, and finding joy in the things that matter. Rest in peace, Mark. You did a great job here in this world. May your family be filled with God's peace and be comforted with memories of how much you loved them all.
