“ *Dear Family,*

May Jehovah God comfort you during this time of loss. Though there may be little that can be said or done to ease your pain, may you find comfort in knowing that many care and sympathize with your sadness. Always know that Jehovah God is with you to strengthen and guide you. May your trust in his promise of a resurrection bring you peace. - Acts 24:15

“ memories we made together give me strength to go on with this To my buddy, my pal, my best friend...my brother You get the trophy today Mark! Cause you're the best of the best...in so many ways. A kind and gentle soul, with a heart of gold who can make you smile whether you want to or not. All the great, unforgettable life... without you. Thank you for your friendship for all these many years; all the heart to heart talks, the creative brainstorming we had together, the support and the comfort you've shown me, and the laughs, man, did we laugh! Especially when you would call & say "Hey little fella, you just done got up? It is with great honor that I accept the care of your most prized possessions, your pride & joy; Laska & Skwerl. They will be loved & spoiled just the way you like them. Then they will return to you one day. “ We've felt like a part of the NOPI Family from the first day I talked with Mark about helping Team NOPI out with some I.T. challenges. We became friends overnight--Mark was one of those special friends in your life that would brighten your day every time you talked. When working at NOPI he would come in to the Server Room, greet me wearing his usual familiar gear, sit down, and put a smile on my face without fail!!! We are stunned and saddened by Mark's passing, and will greatly miss him and the light he brought to this world. Our thoughts are with William, Elaine, Michael, and the Team NOPI family through these dark days. Anything we can help out with --- do not hesitate to ask. We are here if you need us. -CW and Team FIRE DOG IT

“ I was very sad to hear about Mark's passing. I haven't seen him in decades, but the Meyers family was a big part of my childhood growing up in Stonehenge subdivision. I remember Mark, like his brother, as a fearless daredevil -- roaming the neighborhood with the rest of us on our bicycles, jumping homemade ramps, having notorious pine cone battles, and playing "boulder danger," our own version of "king of the hill" where we rolled boulders down on each other from whatever dirt mountains we could find at various local construction sites. Great times, wonderful family, and a fondly remembered old friend gone too soon.
