“ *I heard about Mark's passing from a law school classmate and so many memories came rushing back from those days that we were in law school together. Mark was of course one of the funniest people I have ever been around, but he was also extremely smart and hard working. We were in the same study group and clerked for the same law firm during law school. He really did contribute to making my law school experience a very special time. His family, and particularly his children, are in my thoughts and prayers. For Mark, I would say thanks for being a part of my life, even if it was for a relatively brief period, and many years ago.*

“ Please accept my sincere condolences. God knows the pain that comes with losing a loved one, that is why he has promised to do away with his enemy, death (1 Corinthians 15:26). Our dear loved ones who are now resting will soon wake up from their temporary sleep and return to us (Isaiah 26:19). Hold on firmly to this beautiful hope, and may the wonderful memories fill your heart and mind.

“ Wanted to let the family know how much I enjoyed growing up around Mark Moss. He was a father figure to me, and always had us laughing and on our toes with his funny jokes. He also held us accountable, but was also forgiving. RIP Mark Moss you will not be forgotten. May God Bless the family during this hard time.
